Exportation des annotations

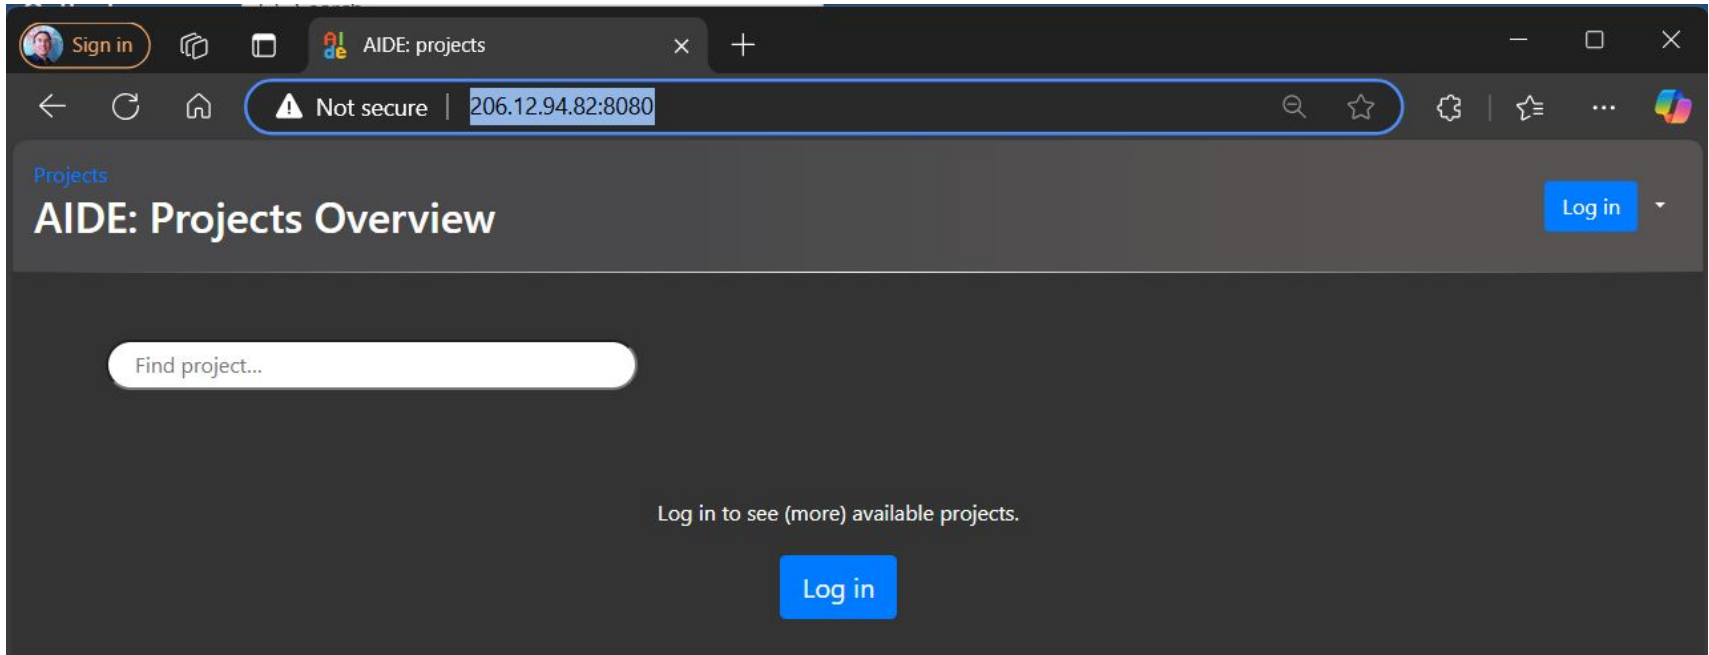

Démarrage

Avec votre navigateur (Chrome, Edge, Firefox, Safari), accéder à l'URL:

<http://206.12.94.82:8080/>

Démarrage

Cliquer sur le bouton **Log in**

Démarrage

Entrer le nom de compte **khiggins** et son mot de passe.

Cliquer sur le bouton **Sign in**

A sign-in form with a dark gray background. The title "Sign in" is in white. There are two input fields: "Username:" with the text "khiggins" and "Password:" with masked characters ".....". A blue "Sign In" button is at the bottom right.

Sign in

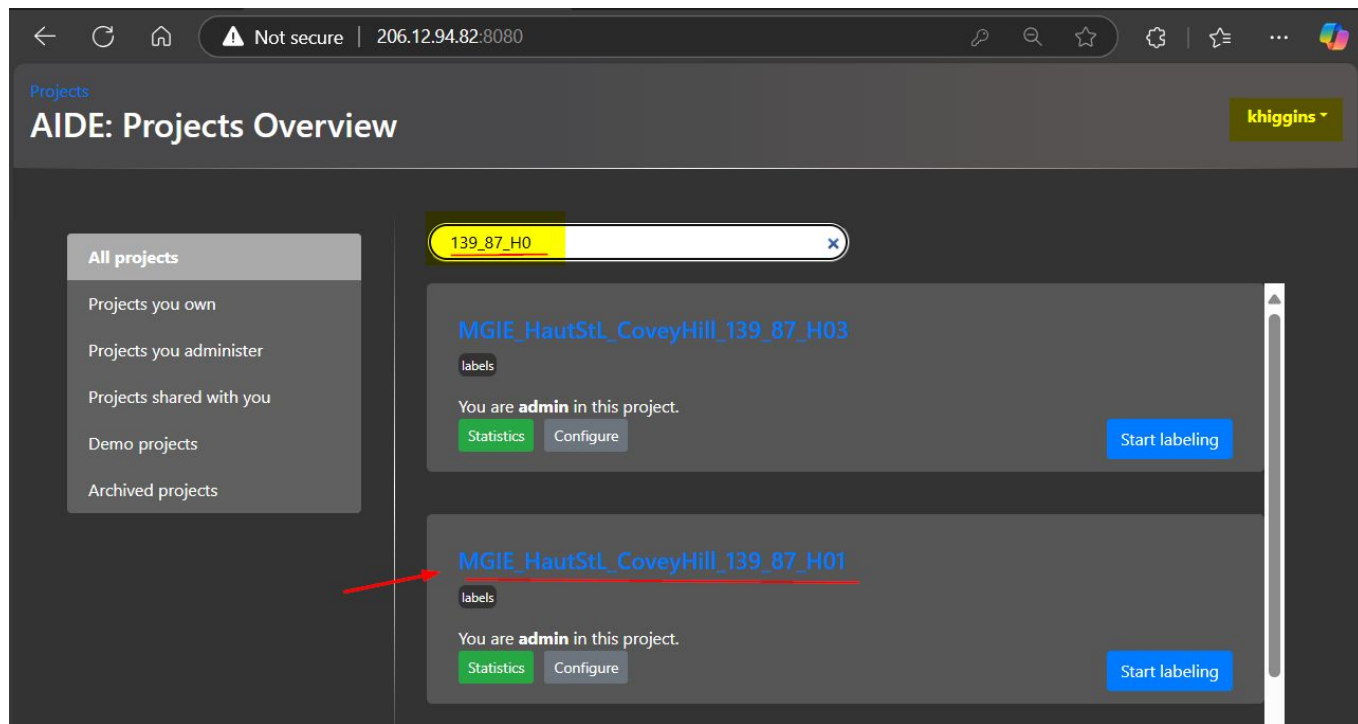

Username: khiggins

Password: 

Sign In

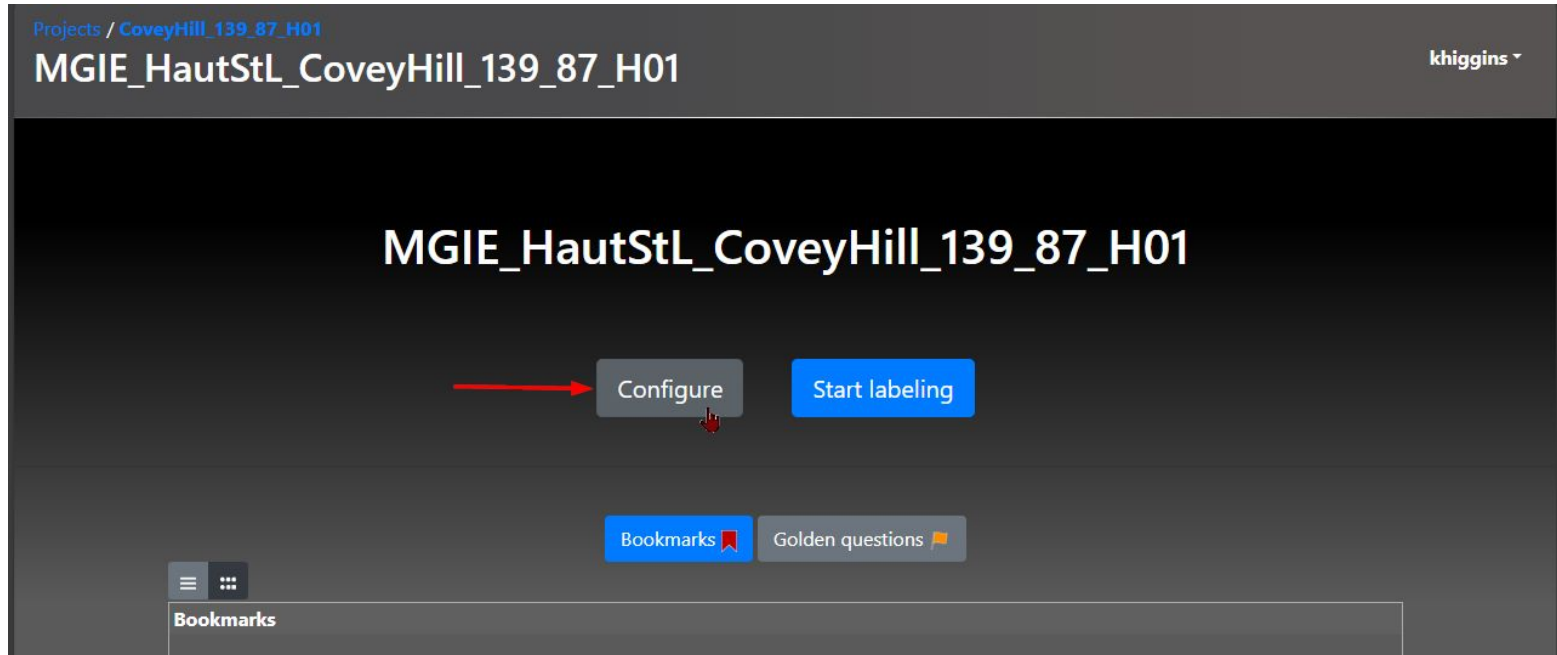

Sélectionner un projet

Taper le nom
d'un projet et
cliquer sur le
nom.

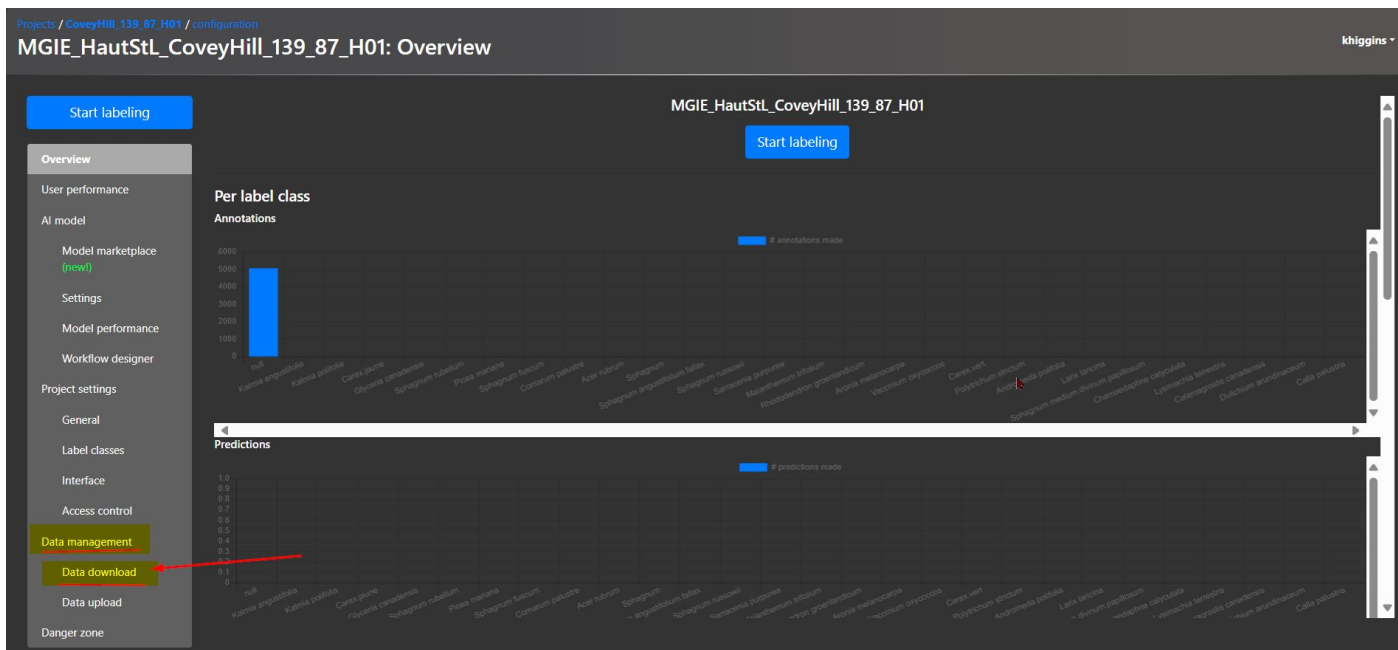

Aller dans la configuration du projet

Cliquer sur le bouton **Configure**.

Sélectionner Data Download

Cliquer sur **Data download** sous **Data management**

Exporter les annotations

S'assurer que **User annotations** est sélectionné. Cliquer sur le bouton **Request Download**.
